

## COMBINED DECLARATION AND POWER OF ATTORNEY

We, Brian Perry, Paul S. Nelson, Te-Tuan Yang, and Thomas H. Smith, hereby declare that:

Our residences, post office addresses and citizenships are as stated below next to our names, we believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled, *Novel Method for Purification of Recombinant Proteins*, the specification of which was filed September 18, 1997 and assigned USSN 08/912,406 and which claims benefit of priority under 35 U.S.C. 120 of USSN 08/698,747 filed September 16, 1996.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. We acknowledge the duty to disclose all information we know to be material to patentability in accordance with Title 37, Code of Federal Regulations, §1.56(a), including information which became known to us between the filing date of the prior application and the national or PCT international filing date of this continuation-in-part patent application.

We hereby appoint the following attorneys and/or agents to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith: Dr. Benjamin Adler, Registration No. 35,423. Address all telephone calls to Dr. Benjamin Adler at telephone number 713/777-2321. Address all correspondence to Dr. Benjamin Adler, MCGREGOR & ADLER, LLP, 8011 Candle Lane, Houston, TX 77071.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
